Vision, Energy & Passion To Serve

Duration: 1 Day or 2 Days

Audience Any employee who delivers service to customers

Overview

Always putting your customer at the center of your business creates a service driven culture. The best and most successful businesses clearly understood this fact.

This one or two days customer service training course will motivate participants to becoming more customer focused and more passionate about delivering outstanding service by understanding the logical and emotional motivations of a customer to buy or continue using a service.

Participants will learn how to become more flexible communicators who are able to engage better with customers, portray energy, commitment and ownership

in each customer interaction. This one or two days program will energize your staff to deliver world class service that leaves customers with a lasting positive impression.

Course objectives:

By the end of this training course participants will be able to:

- Discover the attitude, skills and knowledge needed to be a successful customer service representative.
 - Explain the importance of measuring & benchmarking service as well as the value of a lost customer.
 - Realign their thinking about customer complaints and understand the opportunities in each challenging customer situation.
 - Understand what true customer loyalty is and the importance of their role to ensure a positive customer experience.
 - Understand the concept of plus one's and the value of exceeding customer expectations in each customer interaction.
